Differentiators

Here at Alexander's Movers LLC, all movers are individually trained by our staff continuously throughout their employment. Our staff of highly trained individuals train our employees step by step on how to become highly competent movers. All movers individually go through our rigorous training program, that was created by our highly knowledgeable and experienced staff in the moving and storage industry. We have a staff of well-trained professional movers. We are located near Fort Meade in Maryland

Capabilities Statement

Alexander's Movers LLC is a Black Woman Minority owned business. Alexander's Movers has been in business for over 16 yrs. Alexander's Movers performs high-quality moves that require a high level of knowledge in the moving and storage industry. We specialize in local and long distance moving, residential and commercial-full-service relocation services. We also provide full-service packing of residential and commercial furnishings. We provide services of moving, packing, delivery, dumping loading and offloading.

Experience & Reliability

It is no accident that our customers return to us everytime they and recommend us to their family and friends for house, office or apartment moves. We approach every relocation with an understanding that our customers have entrusted us with their valuable possessions. We also provide you with a professional moving staff, and train them in the best practices for safe moves.

Alexander's Movers LLC, we provide complete moving services for commercial and residential clients. We have a full staff of trained and professional movers and our management is trained to fit the high skill moving industry. In the art of packing, crating, moving, loading, offloading, and safely transporting furnishings. We provide dumping of unwanted items or items that needs to be donated. We will transport those items as needed per our client's request.

Alexander's Movers LLC is one of the most trusted and successful businesses in the industry. We provide commercial and residential moving services. We are licensed, insured and bonded in the DMV AREA.
